Trusted by thousands for good reason

“The benefits of automated associate pay solution is that it’s able to help us scale our business much quicker. If we’re trying to grow the number of practices, we wouldn’t be able to pull all of the data and understand the trends across the whole business without this solution.”

Darren Milne, CFO, Portman Dental

“Leadflo has been a major game changer for me and I haven’t said it enough. I’ve introduced it to people who have taken on this product and found a massive increase in the profitability of their practices. Leadflo increased my patient conversion by 44.2%, that’s a 98% increase in ROI. That is unheard of in dentistry!”
