iGROW

Your roadmap to practice growth!

iGrow is Agilio Dental's complete roadmap for growth - platforms that help dental practices **attract**, **convert**, and **retain** patients with predictable, systematised revenue growth.

Attract

Marketing that drives high-value patients

- Professionally branded websites and online booking
- Drive high-value patients with targeted Google and Meta ad campaigns and SEO
- Complete visibility of marketing performance and spend

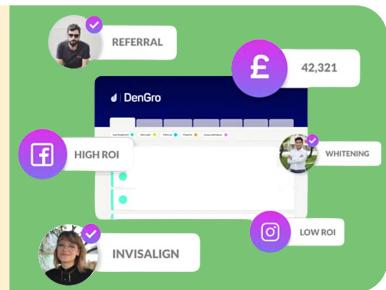

Convert

AI Powered CRM for Dental Practices

- Never lose a new patient or valuable referral again
- Get a clear view of your pipeline
- Integrate with your PMS to improve your flows

Retain

Affordable dental plans that boost loyalty

Scan me

- Increase patient loyalty and retention
- Gain financial stability and easier growth planning with predictable income
- Save admin time and reduce errors
- Online portal to sign up patients & track performance
