

Building Tomorrow's Dental Leaders

iLearn Mentor redefines dental mentoring. Strengthen team development with clear pathways for career advancement and personal growth.

STEP

1

Create your Mentor Programmes

Whether you're managing 1 or 100 programmes across your organisation, you can create them all in iLearn Mentor.

STEP

2

Mentor Matching

Pairing mentors with mentees and getting started has never been easier!

STEP

3

Monitor and Report on Mentoring

Make sure that everyone stays on track using the comprehensive reporting tool.

Why iLearn Mentor?

- **Customised Programmes:** Tailor learning experiences to job roles and development needs.
- **Efficiency:** Use templates or create custom assessments and grading frameworks
- **Guided Steps:** Monthly actions for mentors and mentees
- **Mentor Empowerment:** Monitor progress, report on multiple mentees and provide feedback.
- **Seamless Mentee Experience:** Access assigned programmes, complete actions and receive feedback
- **Centralised Programme Management:** A bird's-eye view of multiple programmes for easy oversight

Key Features and Benefits

- ✓ Integration with iLearn CPD and PDP
- ✓ Detailed tracking and reporting
- ✓ Mentor matching
